

COTHERSTONE PARISH COUNCIL

Expression of interest in co-option To Parish Council vacancy

The following statement has been received from Mr Robin Quick

I would like to be considered for co-option to Cotherstone Parish Council.

I have lived in Cotherstone for the last five years and I would like to take an active role in the interests of the people of Cotherstone and surrounding area. In my time here I have got to know a number of people of different ages and have participated in many of the various organisations and village activities, I hope this will help me to do my best as a Councillor.

I have some experience, as I was a Parish Councillor for several years in the village where I lived previously.

I will do my utmost to carry out the role of Councillor to the best of my ability.

Robin Quick
